Sophisticated Living - Luxurious Lifestyle

Crafted with ease of living in mind, a two-storey floorplan incorporates a masterful design incorporating four bedrooms and a home office with living areas on each level.

An open plan living zone enjoys flow from the designated lounge and dining areas with wide access from both onto the covered rear outdoor patio.

Astute buyers will revel in the prized location just four minute's drive from the nearby Sovereign Place Town Centre with its restaurants, cafes, supermarket and speciality shopping...

Price: Guide \$879,000-\$899,000
